

Instructron Ambassador

Program Handbook

Teach what you love.

Share what works.

Earn as you go.

We're Glad You're Here!

Welcome to the team! We're excited to have you as a founding voice in the Instructron community. This handbook outlines everything you need to know about becoming an affiliate, earning commission, and helping more educators discover our platform.

Ambassador Qualifications

We're looking for real teachers and education professionals who:

- Are passionate about using Instructron and want to share it with others ✓
- Have an active classroom, platform, or audience of educators ✓
- Are willing to post, share, or speak about Instructron regularly (at least once per month) ✓
- Value authentic content over hype because we're all about real impact, not AI fluff ✓

Affiliates must apply and be accepted to join.

What You'll Earn

As an Instructron affiliate, you'll earn 30% of every sale made through your unique referral link or promo code.

Here's what that could look like:

If someone signs up for a **monthly plan at \$20**, you earn **\$6 every month** for up to one year, as long as they stay subscribed.

If someone pays for the **discounted annual plan at \$96** (\$8/month), you earn **\$28.80 up front** and your commission lasts for the first year of their subscription.

There's no cap on how much you can earn. Your commission adds up fast, and it keeps growing as your community joins. Pricing is subject to change and will vary depending on promotions that will be running.

We handle the tracking, payouts, and promo codes. You just share your experience and let your audience know how Instructron is helping you in your classroom.

What's Expected of You

Being an affiliate means more than just sharing a link. We ask that you:

- Use your promo code creatively—share it with friends, followers, or fellow teacherpreneurs
- Post or mention Instructron in some form (email, social media, blog, or classroom resource) at least once a month
- Tag us @teaminstructron when you do so we can reshare and support your content
- Give feedback from your audience because we want to build the platform together
- Keep it real. Talk about how you use Instructron, not just what it promises

Access and Participation

As a thank you, affiliates get **annual access** to Instructron at *no cost*. In exchange, we ask for:

- Active participation (monthly shares or check-ins)
- Meaningful engagement with your educator network
- Honest feedback from you and your community

We'll review affiliate activity twice a year and renew accounts for those who are contributing consistently.
